# Hazardous Waste Support Branch

## Request for Standard Operating Procedure (SOP) Change

**Information**

Initiator Name: Russell Arnone Date of Initiation: 07/29/2020

Department Name: HWSB SOP Number: HW-3a Revision Number: 1

SOP Title: ISM02.2 ICP-AES Data Validation

☐ Major Revision ☒ Minor Revision

Change(s) (Use attachment if necessary):

Page 29; first line of NOTES section at top of page, add the following highlighted text:

Blanks may not be qualified because of contamination in another blank.

Reason(s) for change(s):

Method blanks cannot qualify field blanks, and field blanks cannot qualify method blanks.

The highlighted text is being added to provide clarification and to harmonize with: 1) ASB/EXES data validation practices and, 2) the text of Region 2 data validation SOPs for other fractions.
