Subject: Lumber drying EF & zones within LK-6
Date: Friday, December 20, 2019 11:49:00 AM
Attachments: 191117 lumber dry EF.xlsx
191010_4_technical_memo.pdf

In follow-up to today's call, I have attached the documents I promised.

In addition, see Idaho DEQ's IFG-Grangeville proposed permitting action I referred to during the call at https://www.deq.idaho.gov/news-public-comments-events/public-comment-opportunities/

Have a great holiday everyone!
