

# **US Environmental Protection Agency Office of Pesticide Programs**

**Registration Review Schedule for 2012 to 2015;  
Changes since the Previous Schedule**

**Revised July 9, 2013**

**Registration Review Schedule for 2012 to 2015; Changes to Current Schedule**

Several changes to the current registration review schedule occurred in order for cases to be grouped with related cases or to maintain the pace of docket openings necessary to keep the Agency on track for the first 15-year cycle of registration review:

Resmethrin was moved from FY12 Q3 to FY13 Q3  
Metofluthrin was moved from FY12 Q4 to FY13 Q3  
Triclosan was moved from FY13 Q1 to FY13 Q2
