**ENERGY POLICY ACT IMPLEMENTATION
Government Underground Storage Tanks Compliance Report
Commonwealth of the Northern Mariana Islands (CNMI)**

1. List the location and owner of each underground storage tank (UST) regulated under Subtitle I and owned or operated by the federal, state or local government in the state that, as of the date of submission of the report, is not in compliance with Section 9003.

Federal USTs – No Federally owned or operated USTs in the CNMI

State USTs – Three Stated owned and operated facilities in the CNMI

NAME	LOCATION	3 OF TANKS	STATUS
Judicial Complex	Susupe	1	In compliance
Commonwealth Ports Authority	Ifadang	1	In compliance
La Fiesta	San Rogue	3	All in compliance

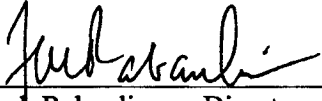

Local USTs – No Local government owned or operated USTs in the CNMI.

2. Specify the date of the last inspection.

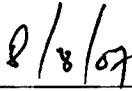

Judicial Complex	Susupe	June 6, 2007	In compliance
Commonwealth Ports Authority	Ifadang	September 9, 2002	In compliance
La Fiesta	San Rogue	February 7, 2005	In compliance

3. Describe the actions that have been and will be taken to ensure compliance of the government underground storage tank listed.

Field inspections for release detection and release prevention will be conducted at least every three years on tanks that are not closed.

Frank Rabauliman, Director
CNMI Division of Environmental Quality
