Subject Re: Latest details regarding EPA site visit to PCS on 4/27

I have not planned on attending the field visit. Stan has asked that we have someone at Army's visit on the 17th and we need to discuss.

Thanks for all of this coordinating, Palmer.

Tom and Jim - I assume you are going? I will go - or can stay if too many people.

There is a Holiday Inn Express -

(also a Hampton Inn) in Washington, NC. Becky - let us know if you have other recommendations.

I'm travelling the previous week - so will look for flights to Greenville NC (I'm guessing).

Thanks  
Jennifer

Subject Latest details regarding EPA site visit to PCS on 4/27

Jim/Tom/Jennifer/Becky:

I reached out to folks at PCS this morning by phone and email regarding a 4/27 site visit - will let you know as soon as I have heard anything.

Mike Shapiro is confirmed for a 4/27 site visit. After an exhaustive search of efficient flight arrangements to get Mike Shapiro to and from the PCS site in Aurora, NC in the narrow window of 4/26 PM to 4/27 PM, Mike and his assistant determined that driving from DC is the best option. Right now the plan is for Mike, Brian Frazer and I to leave DC at 3 pm on Sunday 4/26 by car. I assume we will spend the night in Washington, NC (unless y'all know of something closer). We would like to start early on 4/27 so that we can be back on the road to DC NLT 2:30 PM.

When you have a chance please let me know who is coming from R4, when you are likely to arrive and where you plan to stay overnight.

Thanks, Palmer
