

CAMP MINDEN

LOUISIANA NATIONAL GUARD

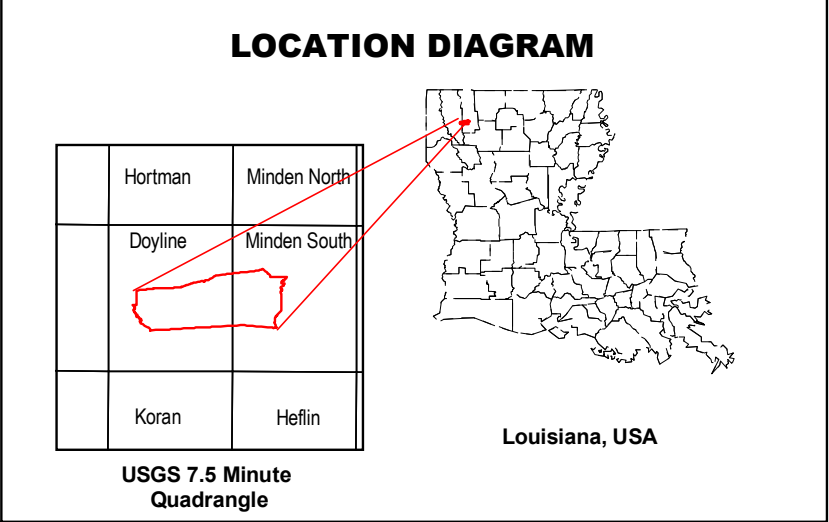

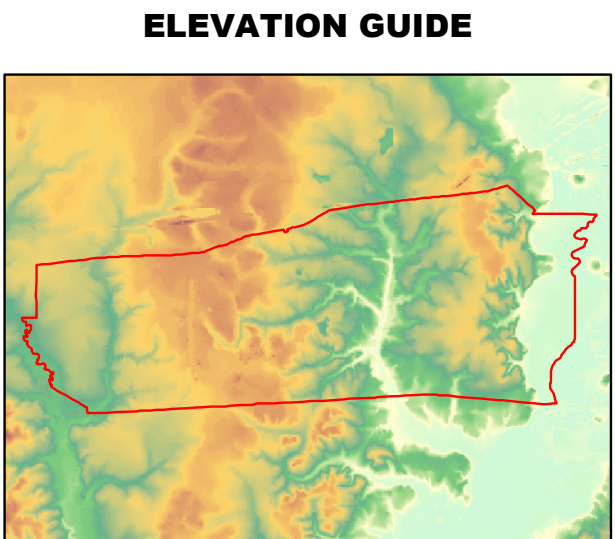

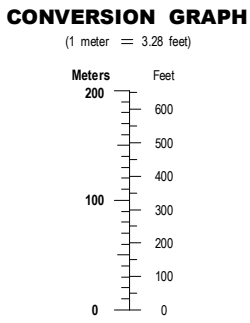

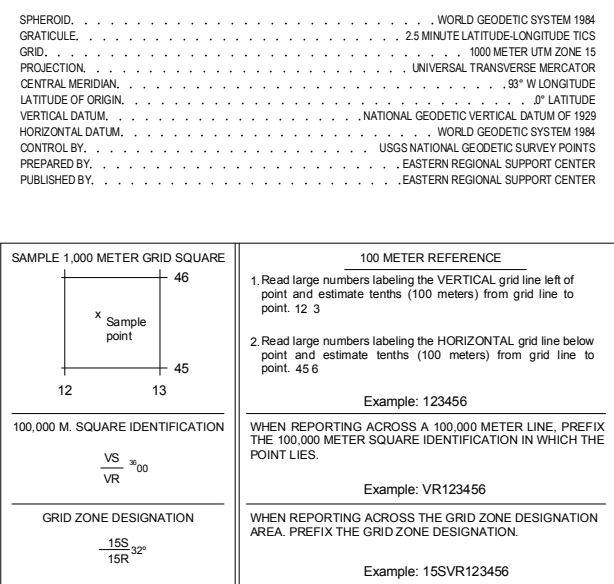

The Camp Minden Special was produced by the LAARNG GeoSpatial Center located at Camp Beauregard, Louisiana. Funding was provided by the LANG Environmental GIS program.

Not all data layers represented maintain the same accuracy level, therefore the map scale applied does not necessarily equate to the implied horizontal and vertical positional accuracy.

ELEVATIONS IN FEET
CONTOUR INTERVAL (HISTORIC INSTALLATION) 5 FEET
CONTOUR INTERVAL (OUTSIDE INSTALLATION) 10 FEET

TRANSPORTATION	MILITARY FEATURES
Interstate	Sub-Training Area
Primary Road	Tank Trail
