

# MSTRS Update

Mobile Sources Technical Review Subcommittee

CAAAC Meeting  
October 6, 2010

John Guy  
Office of Transportation and Air Quality

# Update

- **The Mobile Sources Technical Review Subcommittee met on Tuesday 10/5/10 at EPA's National Vehicle, Fuels and Emissions Lab (NVFEL) in Ann Arbor, MI**
  - Provided members an opportunity to tour EPA's lab
  - Hope to synch our May 2011 meeting with CAAAC
- **MSTRS welcomed 9 new members to replace 8 members whose terms had expired or had moved on to other jobs**
  - **One of our members became EPA's Region X Administrator!!**
  - **We added a rep – Ms. Jacky Grimshaw – from the Center for Neighborhood Technologies - Chicago**
    - To better represent communities and EJ areas
