Ms. Yorker,

I am filing a Title VI complaints with the EPA Civil Rights Office against the city of Clarksville for failing to report to your office of several civil rights and discrimination lawsuits that the city lost in federal court.

According to the Title VI Legal Manual any public body receiving federal funds must report any and all civil rights, discrimination and Title VI lawsuits filed against the city.

The Clarksville City Attorney David Haines and City Grantwriter Ron McClurg informed me that the city did not have to do this. This is why I am filing my complaint
