

Clean Air Act Advisory Committee
Subcommittee on Economic Incentives and Regulatory Innovation
Camino Real, El Paso, Texas
November 16, 2004

I. Financial Mechanisms for Air Pollution Control in the Border Region

We will start with brief presentations on the following topics (order might change):

The role of the North American Development Bank in funding border air quality initiatives:
Arturo Nunez, Director of Project Development, New Sectors North American Development Bank

OTAQ-R6 SMARTWAY demonstration project- *EPA Region 6*

Clean Air Investment Funds:

Overview of the application of the CAIF concept to the border: *Heather Himmelberger, Director, Environmental Finance Center, University of New Mexico*

Specific possible inputs to a border CAIF:

Supplemental Environmental Projects - *EPA Region 6*

State Funding Programs (e.g. TERP/Carl Moyer) (don't need anything major here as the group has heard it before, but should be mentioned)

ERC's

FIDEICOMISO- *Enrique Rebolledo, SEMARNAT*

Emissions Trading:

Texas' trading rules- *Cory Chism, TCEQ*

Brick Kiln Project- *Carlos Rincon, Environmental Defense*

Mexicali/Imperial Valley scoping project - (*IVAPCD*)

San Diego/ Tijuana- *Rick van Schoik, Managing Director, Southwest Consortium for Environmental Research and Policy*

Mexican legal perspective- *Denisse Varela, Baker and McKenzie Abogados, SC*

II. Air Quality Management in the United States—coordination with AQM Subcommittee- *Gregg Cooke, Guida, Slavich and Flores*

III. Draft CAAAC Recommendations for Reducing Emissions from the Legacy Diesel Fleet—*Tim Johnson, Corning Inc. and Gay MacGregor, OTAQ, Co-Chairs, Clean Diesel and Retrofit Work Group of the Mobile Source Technical Review Subcommittee*

IV. Achieving Air Quality Improvement in Tight Budgetary Times- *Ben Henneke*
