USEPA Sample Numbers in SDG (Listed in Numerical Order)

| CLP Sample ID | Sample Type | Requested Analytical CLIN(s)/SubCLIN(s) | Solicitation Number | MA Number(s) |
|---------------|-------------|---|---------------------|--------------|
| 1             |             |   |                     |              |
| 2             |             |   |                     |              |
| 3             |             |   |                     |              |
| 4             |             |   |                     |              |
| 5             |             |   |                     |              |
| 6             |             |   |                     |              |
| 7             |             |   |                     |              |
| 8             |             |   |                     |              |
| 9             |             |   |                     |              |
| 10            |             |   |                     |              |
| 11            |             |   |                     |              |
| 12            |             |   |                     |              |
| 13            |             |   |                     |              |
| 14            |             |   |                     |              |
| 15            |             |   |                     |              |
| 16            |             |   |                     |              |
| 17            |             |   |                     |              |
| 18            |             |   |                     |              |
| 19            |             |   |                     |              |
| 20            |             |   |                     |              |
|               |             |   |                     |              |
|               |             |   |                     |              |
|               |             |   |                     |              |
|               |             |   |                     |              |
|               |             |   |                     |              |

**Note:** There are a maximum of 20 **field** samples (excluding PE samples) in an SDG. Attach TR/COC Records to this form in alphanumeric order (the order listed above on this form).
