And to further clarify, EXPL0 associated explosives are stored in L-1, L-2, L-3, and L-4?

Thank you

Paige,

Below is the information you wanted. Patrick has advised me to include the following disclaimer regarding this information.

The acreage listed below was obtained from documents found in United States Department of Army files believed to be abandoned at Camp Minden by the former LAAAP Facility Use Contractor (Valentec), which, upon information and belief, was obtained from files for the former LAAAP Government Owned Contractor Operated (GOCO) contractor (Morton Thiokol).

L1	215.33
L2	217.37
L3	276.31
L4	56.18
