Dear Ms. LeHuray:

I would like to provide an update on the status of your Information Quality Guidelines Request for Correction (#14003) received at the Environmental Protection Agency on April 16, 2014.

EPA managers and staff are conducting a thorough review of your information quality concerns. Due to the complexity of the issues associated with your request, our review is taking longer than we anticipated.

Our goal is to provide the final response to your RFC or another status update within 90 business days (i.e., on December 31, 2014).

Sincerely,

A handwritten signature in blue ink that reads "Monica Jones".
