

On This Day, September 16, 2009

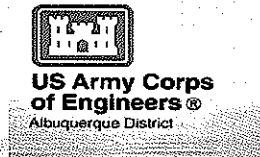

New Mexico Environment Department  
U. S. Environmental Protection Agency, Region 6

*Presents to*

**Atlas Missile Silo 3**

# *Ready for Reuse Certificate*

The New Mexico Environment Department (NMED) and United States Environmental Protection Agency (EPA) Region 6 together have determined that the former Atlas Missile Silo Site 3 surface property, located in Chaves County, approximately 33 miles northeast of Roswell, New Mexico, is Ready for Reuse. A Ready for Reuse Determination is an acknowledgement that environmental conditions on the surface property are protective of human health and the environment.
