*Presents to*

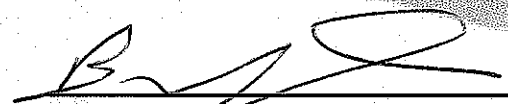

**Atlas Missile Silo Site 6**

# *Ready for Reuse Certificate*

The New Mexico Environment Department (NMED) and United States Environmental Protection Agency (EPA) Region 6 together have determined that the former Atlas Missile Silo Site 6 surface property, located in Chaves County, approximately 30 miles southeast of Roswell, New Mexico, is Ready for Reuse. A Ready for Reuse Determination is an acknowledgement that environmental conditions on the surface property are protective for its current and anticipated future use as an industrial operation.
