

Fact Sheet Date: March 12, 1998

**NEW YORK STATE
- HUMAN HEALTH FACT SHEET -**

**Ambient Water Quality Value for
Protection of Sources of Potable Water**

SUBSTANCE: 2-Isopropyltoluene

CAS REGISTRY NUMBER: 527-84-4

AMBIENT WATER QUALITY VALUE: 5 ug/L

BASIS:	Surface Water:	Principal Organic Contaminant Classes
	Groundwater:	Former Reference to 10 NYCRR Subpart 5-1 Principal Organic Contaminant (POC) General Maximum Contaminant Level (MCL)

SUMMARY OF INFORMATION

A search of relevant sources revealed little information on the toxicity of 2-isopropyltoluene. It is not listed on IRIS, has no EPA Drinking Water Health Advisory, and no indication of carcinogenicity was found.

2-Isopropyltoluene is in a principal organic contaminant class (class iv, benzene and alkyl- or nitrogen-substituted benzenes) as defined in 6 NYCRR 700.1.

DERIVATION OF VALUE

Surface Water

Regulations [6 NYCRR 702.2(b)] require that the value be the most stringent of the values derived using the procedures found in sections 702.3 through 702.7. The principal organic contaminant class value of 5 ug/L (702.3(b)) represents the most stringent value that can be derived for 2-isopropyltoluene. Therefore, the ambient surface water quality value for 2-isopropyltoluene is 5 ug/L.

Groundwater

The principal organic contaminant (POC) groundwater standard of 5 ug/L (6 NYCRR 703.5) applies to 2-isopropyltoluene. This standard became effective on January 9, 1989 by inclusion by reference to 10 NYCRR Subpart 5-1 standards. The basis and derivation of the POC standard are described in a separate fact sheet.

SEARCH STRATEGY

The following sources were searched for 2-isopropyltoluene:

- Integrated Risk Information System (IRIS) - Searched 1/12/94.
- Registry of Toxic Effects of Chemical Substances (RTECS) - Searched 3/4/93.
- Chemical Carcinogenesis Research Information System (CCRIS) - Searched 3/4/93.
- IARC Monographs on the Evaluation of Carcinogenic Risks to Humans. Overall Evaluations of Carcinogenicity: An Updating of IARC Monographs Volumes 1 to 42. IARC Monographs Supplement 7. International Agency for Research on Cancer, World Health Organization, Lyon, France, 1987. Searched 1/12/94.
- TOXLINE - Searched by New York State Library 3/31/93.
- National Technical Information Service (NTIS) - Searched by New York State Library 3/31/93.
- BIOSIS - Searched by New York State Library 3/31/93.

The following databases were searched by the New York State Library for generic isopropyltoluene on 4/7/93:

- NTIS
- TOXLINE
- BIOSIS
