

*** PUBLIC NOTICE ***
NOTICE OF INTENT TO ISSUE CLEAN AIR ACT PART 49 TRIBAL MINOR NEW
SOURCE REVIEW PERMIT

The U.S. Environmental Protection Agency (EPA) requests public comment on the draft construction permit, Permit No. SYN-ON-5500900021-2014-02, for G&K Services, Inc. – Green Bay. G&K Services, Inc. – Green Bay is located at 800 Isbell Street, Green Bay, Wisconsin. The public comment period for the draft permit ends on **August 28, 2015**.

Permit No. SYN-ON-5500900021-2014-01 is being revised to allow concurrent operation of an existing and new steam tunnel for no more than six hours per day. Concurrent operation of the existing and new steam tunnel will result in increased emissions as a result of increase natural gas usage. The revised permit will be reissued as Permit No. SYN-ON-5500900021-2014-02.

EPA is seeking comment only on the permit conditions being revised in this permit action. Comments received regarding any other permit condition will not be accepted. The permit's technical support document identifies the changes being made to each permit. Specifically, EPA is seeking comment on the following:

- New Condition I(D)
- New Condition II(E)(6)

Any person may review copies of the draft permit prepared by EPA, the technical support document for the draft permit, the application, and all supporting materials at the EPA Region 5 office in Chicago, located at 77 West Jackson Boulevard, 18th floor, Chicago, Illinois 60604 by contacting Michael Langman at (312) 886-6867 or langman.michael@epa.gov. All documents will be available for review at the EPA Region 5 office in Chicago Monday through Friday from 8:15 AM until 4:45 PM (excluding federal holidays).

All documents related to this permit action are also available for review online at <http://www.epa.gov/region5/air/tribes/index.html>. The draft permit is also available for review at <http://yosemite.epa.gov/r5/r5ard.nsf/Tribal+Permits!OpenView>

A paper copy of the permit application, draft permit, technical support document, and the public notice are also available at the following locations:

- Weyers-Hilliard Branch Library, 2680 Riverview Drive, Green Bay, Wisconsin
- Oneida Community Library, 201 Elm Street, Oneida, Wisconsin
- Ashwaubenon Branch Library, 1060 Orlando Drive, Ashwaubenon, Wisconsin

Written comments and requests to receive notices of any future actions may be sent to George Czerniak, Director, Air and Radiation Division (AR-18J), at the above EPA Region 5 address or faxed to (312) 692-2031 by **August 28, 2015**. All written comments should include the reason for interest in the draft permit, requested actions for EPA to take, and the justification for such actions. All comments should include sufficient specificity and regulatory references to allow EPA to investigate the merits of the position.

Any person may also request a public hearing. A request for a public hearing must be made in writing and must state the nature of the issues proposed to be raised at the hearing. Written requests for a public hearing should be sent to the EPA Region 5 address provided above.

EPA will consider all relevant comments received prior to the end of the public comment period in arriving at a final decision on the permits. All comments will be included in the public docket without change and may be made available to the public, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through email. If you send email directly to EPA, your email address will be captured automatically and included as part of the public comment. Please note an email or postal address must be provided with your comments if you wish to receive direct notification of EPA's final decision regarding the permit and its responses to comments submitted during the public comment period. The final permit is a public record that can be obtained upon request. A statement of reasons for changes made to the draft permit and responses to comments received will be sent to all persons who commented on the draft permits. If you believe any condition of the draft permit is inappropriate or that our initial decision to deny any application, terminate a permit, or prepare a draft permit is inappropriate, you must raise all reasonably ascertainable issues and submit all reasonably ascertainable arguments supporting your position by the end of the comment period.
