

GI Green Infrastructure Wizard

An interactive web application that connects community users to EPA's Green Infrastructure Tools and Resources

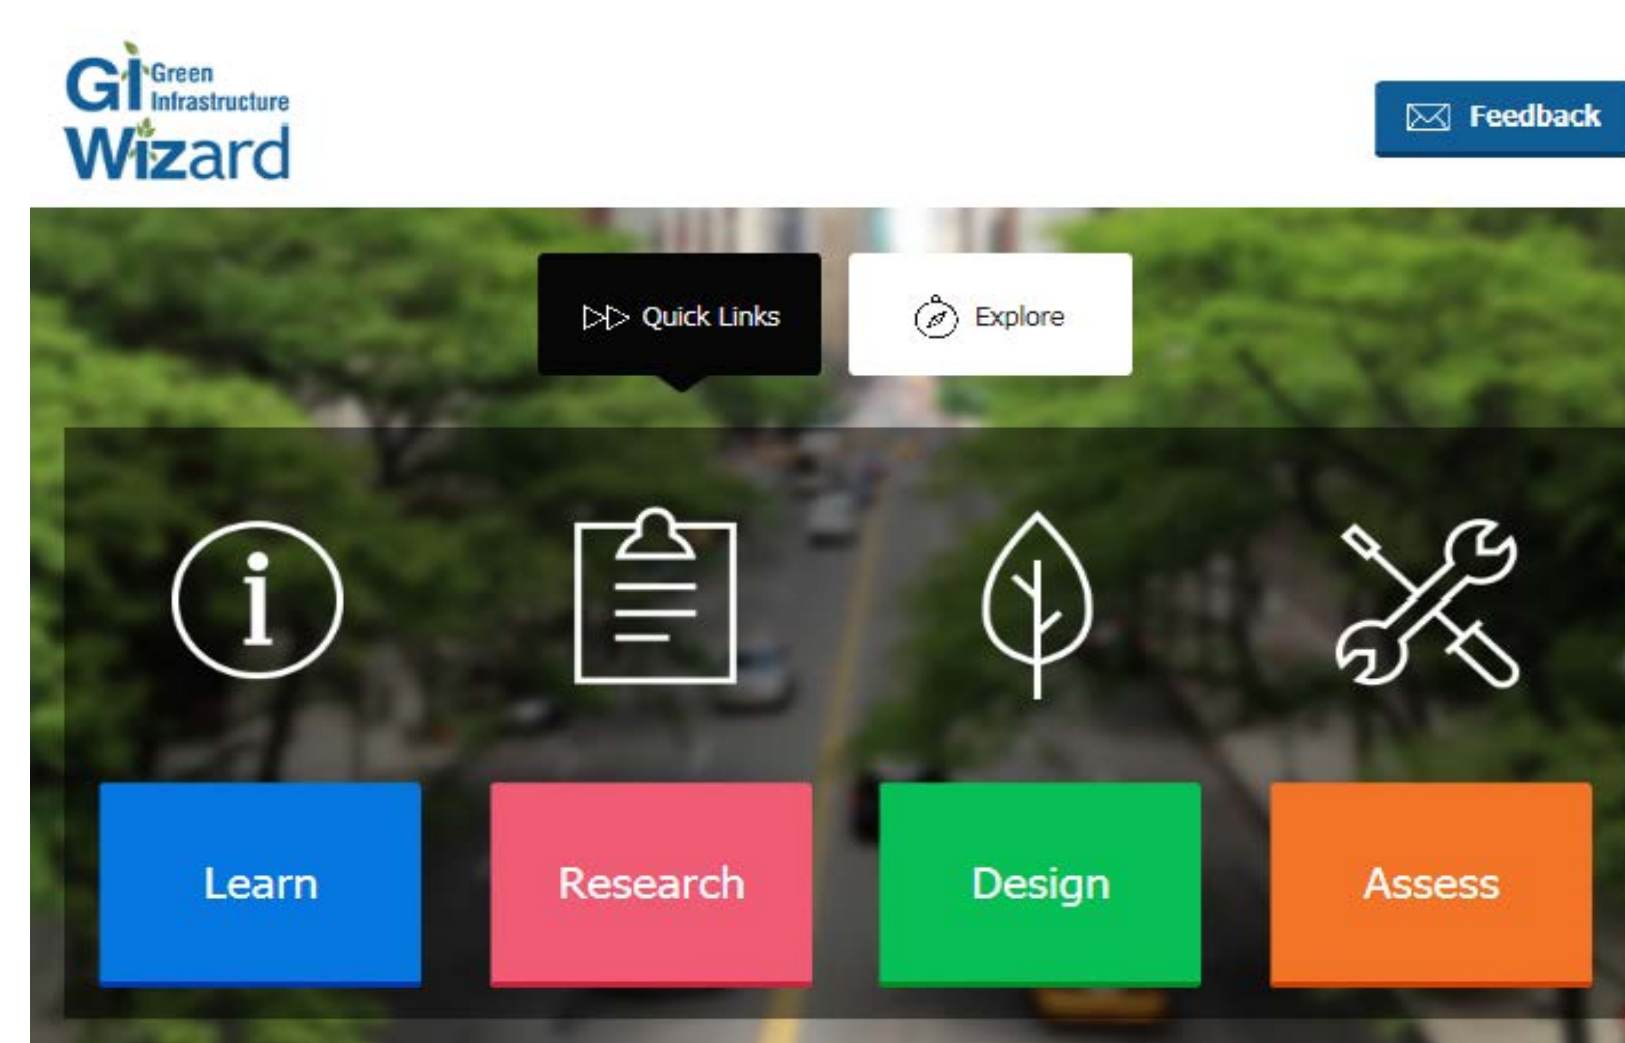

WHAT IS GIWiz?

GIWiz is an interactive, online information portal. It provides communities with quick and easy access to EPA's Green Infrastructure tools and resources.

WHAT'S INCLUDED?

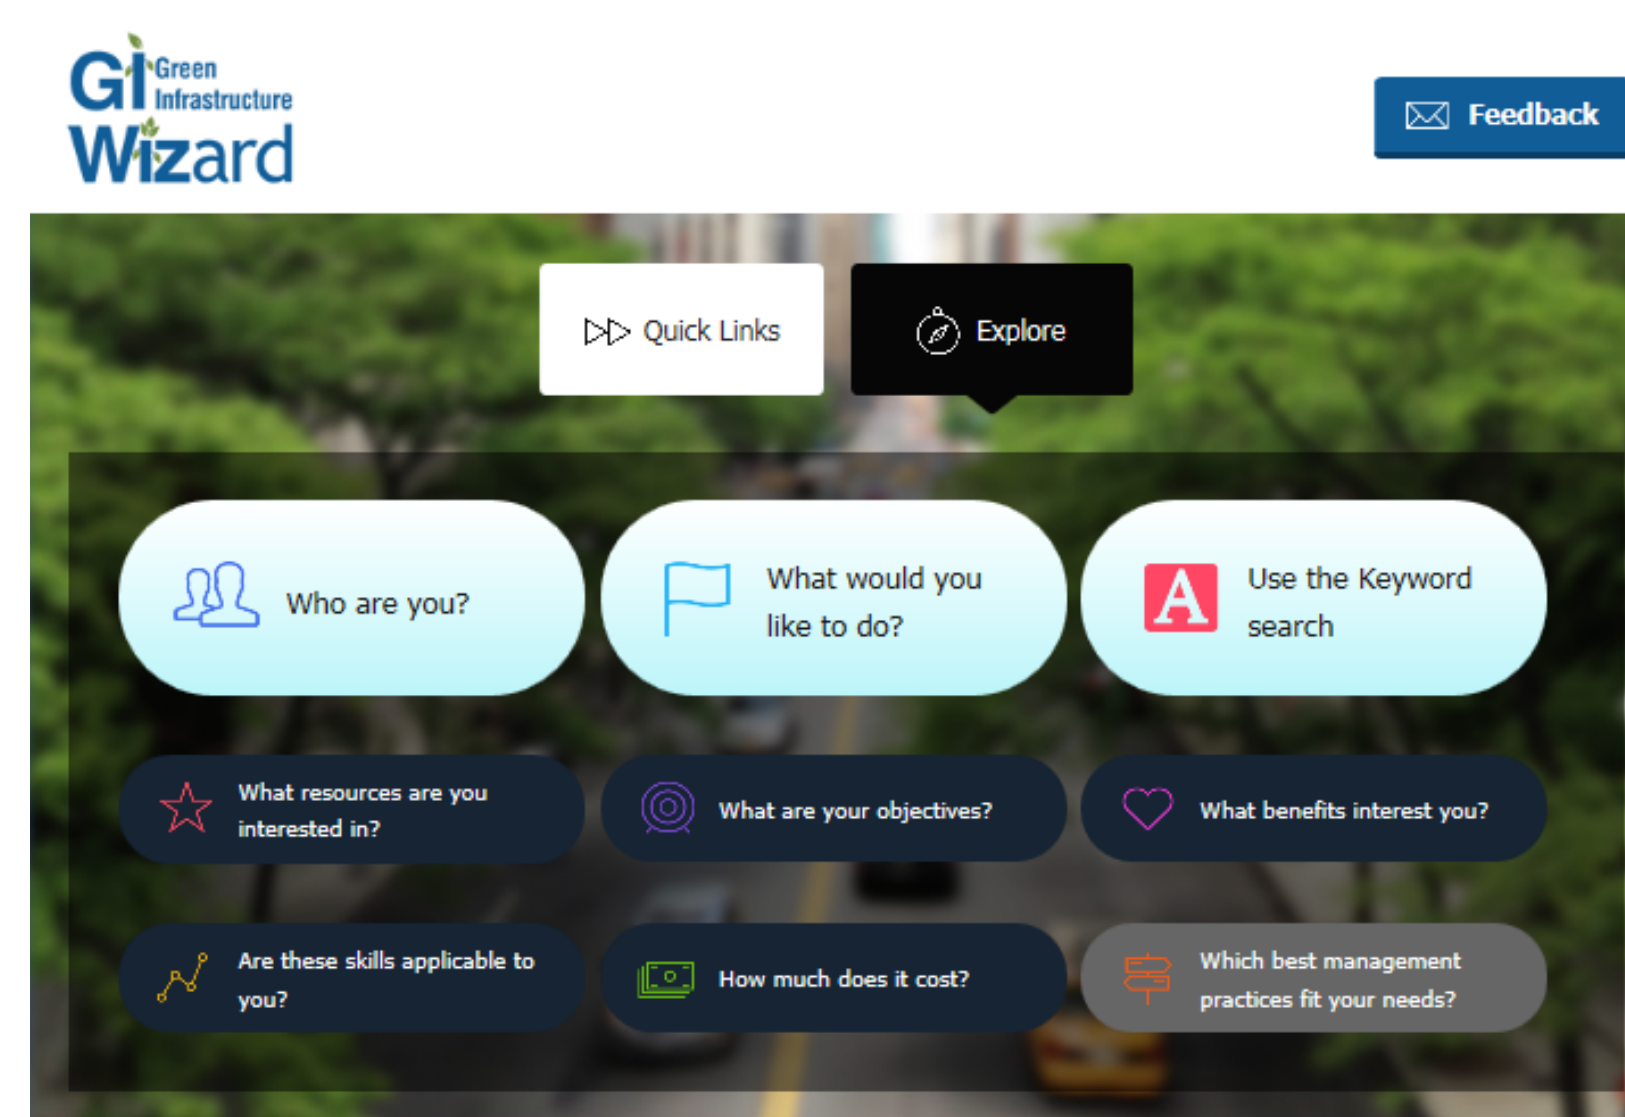

GIWiz provides an intuitive way to quickly search for Green Infrastructure resources. Users can access over 300 EPA Green Infrastructure resources, including models, calculators, case studies, design guidance, and financing tools.

HOW CAN I USE IT?

Quick Links Wizard

Simple, two-click interface with pre-sorted reports organized by decision objectives

Explore Search Engine

A guided, customizable search engine that can handle detailed queries based on the user's unique needs

GET INVOLVED!

To find out more about GIWiz or to sign up to be a Beta Tester, e-mail us at: giwiz@epa.gov or go online: <http://www2.epa.gov/communityhealth/green-infrastructure-wizard>

WHAT'S NEXT?

SHC theme 1+4 and GITAR here.

WHAT DO I GET?

GIWiz offers quick, direct access to Green Infrastructure tools and resources. Users can produce customized reports that include links to the resources they want to utilize.

Output includes links to resources and other helpful information

I want to use green infrastructure to manage stormwater and improve water quality

Total count: 77
