

Indian Lands in US EPA Region 5

Reservation and Off-Reservation Trust Lands (Census 2010)

Created August 2012

The boundaries of Indian lands displayed on this map consist of reservations and off-reservation trust lands as compiled by the U.S. Census Bureau in 2010 for the purpose of statistical data collection only. This map is only a guide and is not a legal determination of jurisdictional authority or rights of ownership or entitlement. For specific questions about Indian country boundaries, please consult the Region 5 Indian Environmental Office and the Office of Regional Counsel.
