

Name of Scientist: Paul Ringold, Ph. D

Title: Supervisory Biologist

Contact Information:

Email: ringold.paul@epa.gov

Phone: 541-754-4565

Area of Expertise: My interest is in linking changes in ecosystems to changes in human well-being. I am especially interested in this linkage for aquatic ecosystems at large scales.

Education:

- B.A., University of Pennsylvania, Philadelphia; Biology, 1973
- Ph.D., The Johns Hopkins University, Baltimore, MD; Marine Ecology, 1980
- M.B.A., The University of Maryland, College Park, MD; 1985

Honors and Awards:

- Program Chair, Ecological Society of America Annual Meeting with the International Congress of Ecology, 2005
- Science and Technology Achievement Award Honorable Mention 2001
- Nominated, Ecological Society of America Governing Board, 1999 and 2005
- USEPA Bronze Medal 1995 and 2001
- NAPAP Recognition for Exceptional Management Accomplishments, 1984-1988
