

Greetings STORET Community

We will hold the monthly STORET User call on Thursday January 29, 2015 at 12 noon Eastern using:

Call number 866-299-3188, access 202-566-0399#

Please remember send an email to storet@epa.gov to indicate that you are on the call.

Webinar link: <https://epa.connectsolutions.com/storetusercall/>

Happy holidays from the STORET Team.

Thanks,

Charles

Agenda

1. Tribal Exchange Network meeting, February 4-5, 2015 in Phoenix, AZ. EPA will be presenting and offering on-site technical assistance on WQX Web to Tribes. Please share with other Tribal agencies and contact us if planning to attend or interested in the on-site assistance.
<http://www.exchangenetwork.net/news/2015-tribal-exchange-network-conference-announced/>
2. Volunteer Monitoring Training on WQX Web, March 5, 2015 in Trenton, NJ. EPA will be conducting a one day training on WQX Web. Those interested in more information please contact STORET.
3. WQX Schema 3.0. EPA compiled a list of WQX field change suggestions from user feedback. EPA will walk through the proposed list of WQX schema changes and invite user comments, suggestions and recommendations.
The data element changes can be viewed at <https://lists.epa.gov/subscribe/survey?f=383>
- 4.
