**Subscribing to the AQS RSS Feed in Outlook 2007**

1. In the folders, there should be an RSS Feeds folder

2. Right click on this

3. Select Add a new RSS feed

4. Paste the following URL in the box
   http://www.epa.gov/ttn/airs/airsaqs/aqs_user_info_rss.xml

5. Click Add

6. You are done subscribing.

To read the messages:

They will show up like other (email) messages, but in this folder.
