

FOCUS ON THE COMMUNITY:

"To Empower, To Educate, and To Engage"

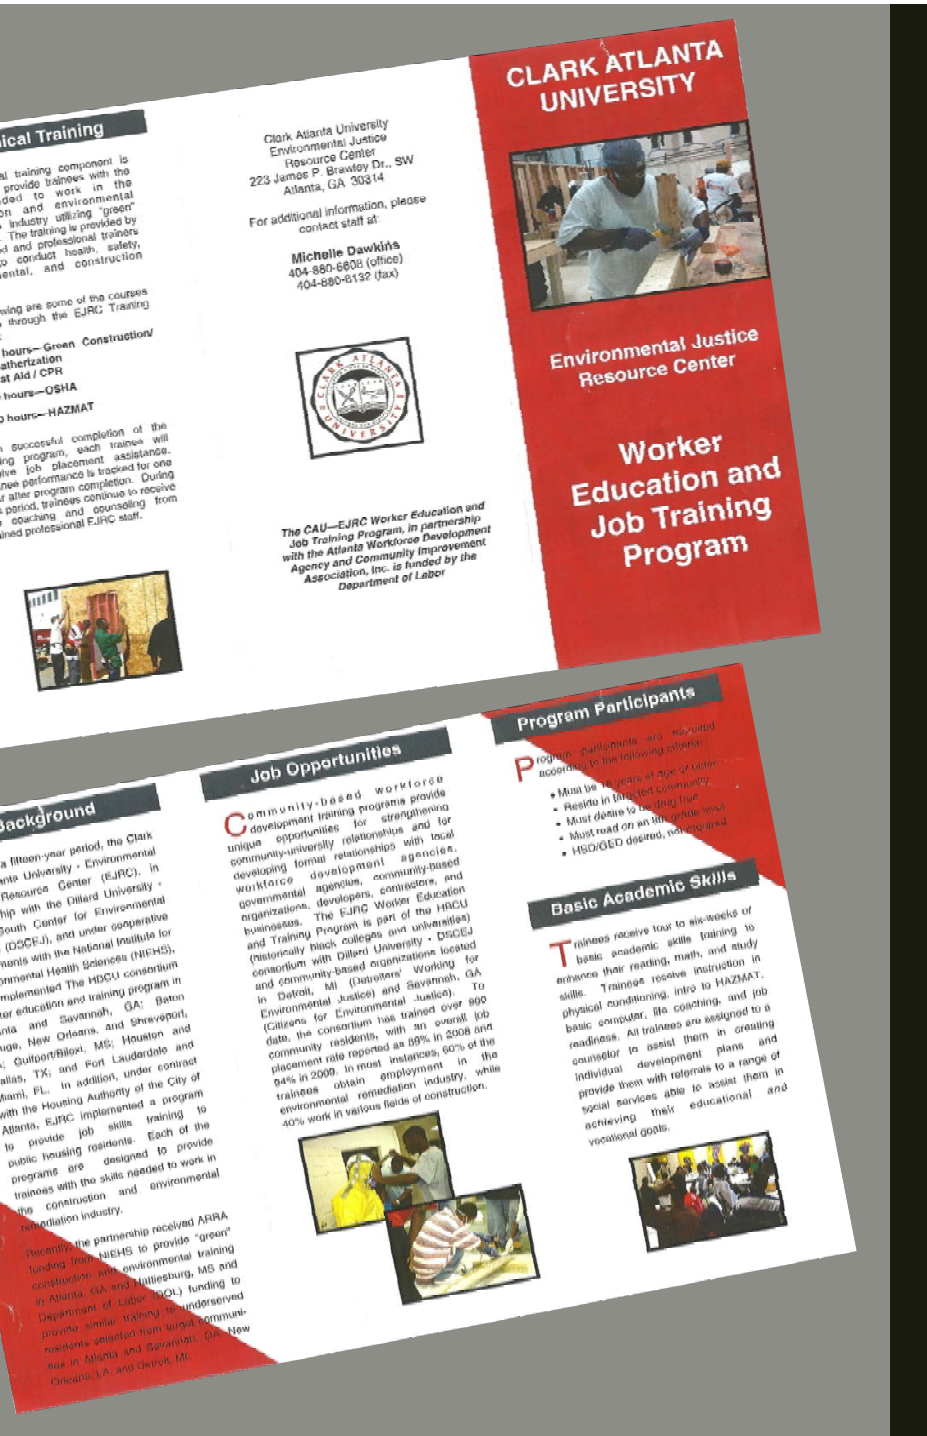

Who Are We:

Michelle Dawkins has 10+ years' experience working on environmental issues including her work as the Program Manager and Trainer at Clark Atlanta University. She has certifications in Hazardous Waste Operations, OSHA Safety Lead Abatement and DOT.

She is also a member of the Clayton County Emergency Response team.

What we do:

Provide vital training to local community groups, business organizations, and governmental agencies.
