

GRANT WRITING WORKSHOP

Get the skills and tools needed to compete for **Federal or Foundation funding** for your community organization! Regularly, grants are available for **community development, environmental protection, conservation, and cleanup opportunities** to create healthier communities- learn what can make your application succeed.

- Learn about a variety of funding opportunities.
- Hear from successful grant writers what makes a strong grant application.
- Hear from funders what it takes to get a high score on grant applications.
- Bring your unsuccessful grant applications and receive one-on-one assistance for improving your grant application for the next funding cycle.
