

US EPA Pretreatment Webcast Series

The Pretreatment 101 Series: Industrial User Waste Survey Procedures

Webcast: Tuesday, September 21, 2010

Two-hour audio Web broadcast

Eastern: 1:00 pm – 3:00 pm

Mountain: 11:00 am – 1:00 pm

Central: 12:00 pm – 2:00 pm

Pacific: 10:00 am – 12:00 pm

Session Description

This webcast is the first in a series of webcasts that will discuss the federally required implementation procedures of a pretreatment program [40 CFR Part 403 and NPDES]. This webcast will discuss the regulatory background of industrial wastewater surveys used to identify industrial user (IU) discharges of concern to Publicly Owned Treatment Works (POTWs), procedures for conducting the initial and ongoing surveys, timing of conducting the surveys, conducting reassessments, and procedures on how to keep the survey information update and current. The webcast will also present helpful hints and common errors found during the surveying processes.

Speakers Al Garcia, EPA Region 8 Pretreatment Coordinator
Christine Wong, Tetra Tech

Registration

You must register in advance to attend this free webcast.
Visit the NPDES Web site at www.epa.gov/npdes/training to register.

Note: Your computer must have the capability of playing sound in order to attend this webcast.
