

Urban Waters Regional Priorities in FY2015 - FY2016 and Related Requests for Support		Region: 4
Brief Description of Priority Activity / Project <i>(attach additional information as needed):</i> Proctor Creek –Atlanta Georgia		
1. Contract Support for Grants Writing and Management Workshop		
Priority Rank <i>(If the Region is submitting multiple priorities or requests, indicate the rank of this priority) e.g. "Priority 1 of 3"</i>	Priority 4 of 7	
Location/ Grantee Name: Proctor Creek-Atlanta Georgia		
Type of Priority <input checked="" type="checkbox"/> Federal Partnership <input type="checkbox"/> Urban Waters Grantee <input type="checkbox"/> Other Regional Priority <i>(Please indicate)</i>	Type of Support Requested Ambassador support \$_60,000 per year for 2 years_ <input checked="" type="checkbox"/> Contract support \$_25,000 <input type="checkbox"/> Expert from EPA or federal agency <input type="checkbox"/> Senior official involvement in event, meeting, issue	
Describe the type of support requested <i>(attach additional information as needed):</i> R4 requests 25,000 total funding (5,000 in addition to the funding already made available to EPA in 2014) for contractor assistance and facilitation of a community grants writing/grants management workshop for Proctor Creek and other communities. The contractor will develop the course materials, facilitate the workshop, locate the grant writers, and execute the workshop based on the goals of OneEPA Team in R4.		
When would you use this support? <i>(4/1/15-8/31/15)</i>		
Regional Staff Contact: Cynthia Edwards		
Comments: The other R4 priorities are shown on the attached word document in priority order.
