Dear Dr. LeHuray:

I would like to provide an update on the status of your Information Quality Guidelines Request for Correction (#14003) received at the Environmental Protection Agency on April 16, 2014. The internal review of the draft response is taking longer than we anticipated.

We are diligently working to complete this review as soon as possible. Our goal is to send you the final response within 90 business days (January 12, 2016), if not sooner.

Sincerely,

A handwritten signature in blue ink that reads "Monica Jones".
