

Notice to Public

EPA is hereby providing for public information a draft Toxicological Review, draft IRIS Summary, and charge to external peer reviewers for EPA's health assessment of 1,1-dichloroethylene. These documents are provided for public viewing during an external scientific peer review period. While EPA is not soliciting public comments by this action, any scientific views received on the content of the Toxicological Review or IRIS Summary prior to June 15, 2001 will be considered in subsequent drafts. Please direct any correspondence to:
