### FUNDING ALLOCATION

We understand that based on the allocation formula outlined in the Energy Policy Act 2005, Subtitle G, Section 793, award amounts can average \$1.73 million per State for the Recovery Act Funding for State Clean Diesel Grant Program. Awards may be higher or lower depending on the number of States participating

(notification of the final amount will occur after March 11, 2009). We understand that there is no match, cost-share or matching incentive for this special Recovery Act -funded State Clean Diesel grant program.

## **APPLICATION AND WORKPLAN**

The State of \_\_\_\_\_ understands that a work plan, Standard Forms 424 and 424A and any other required forms should be submitted to the EPA Regional Office on or before **Friday, March 20, 2009 at 11:59 p.m. Pacific Time**. Application forms, work plan template and Regional contact information will be emailed to State contacts but can also be obtained from EPA's website at [www.epa.gov/cleandiesel](http://www.epa.gov/cleandiesel) under the State Program section. We understand that this is a noncompetitive grant program but that work plans must be approved in order for States to receive funding.
