

TRIMODAL TERMINAL, Follansbee, West Virginia

Public Notice

DATE OF THIS NOTICE: December 4, 2015

PURPOSE OF THIS NOTICE: The U.S. Environmental Protection Agency (EPA) is announcing its proposed remedy decision under the Resource Conservation and Recovery Act, as amended, for the 80-acre Trimodal Terminal property located at Follansbee, West Virginia.

FACILITY DESCRIPTION: The property is currently owned by Trimodal Terminal, L.P. which purchased a parcel of land from the former RG Steel-Wheeling facility located on Route 2, north of the city of Follansbee in Brooke County, West Virginia.

INFORMATION AVAILABILITY: Information regarding EPA's proposed decision is available on EPA's website at <http://www2.epa.gov/aboutepa/epa-west-virginia>. The Administrative Record, which contains all the information considered in EPA's proposed decision, is available at Follansbee Public Library, 844 Main St, Follansbee, WV 26037. For additional information, contact Andrew Fan, Project Manager, at Mail Code: 3LC20, at EPA Region 3, 1650 Arch Street, Philadelphia, PA. 19103; 215-814-3426; Fax: 215-814-3113, or Email: fan.andrew@epa.gov.

COMMENT PROCESS: Persons wishing to comment on EPA's proposed decision must submit comments to EPA within the 30-day comment period ending January 4, 2016. Interested persons may also request a public hearing on this proposed remedy. All comments and/or requests for a hearing must be submitted in writing via mail, fax, or email to the EPA Project Manager, Andrew Fan, as listed above, and must be received prior to January 4, 2016. All comments will be considered in making a final decision.

FINAL DECISION: EPA will make a final decision after considering all comments, consistent with applicable RCRA requirements and regulations. If the decision is substantially unchanged from the one in this notice, EPA will issue a final decision and inform all persons who submitted written comments or requested notice of EPA's final determination. If the final decision is significantly different from the one proposed, EPA will issue a public notice explaining the new decision and will reopen the comment period.
