

On This Day, June 30, 2004

Louisiana Department of Environmental Quality  
 U.S. Environmental Protection Agency, Region 6

Present to

**England Airpark  
 &  
 Air Force Real Property Agency**  
*Ready for Reuse Determination*

In recognition of the United States Air Force's efforts to investigate and, where needed, remediate that portion of the former England Air Force Base which now hosts the Oak Wing Golf Club in Alexandria, Louisiana (the "Property"), the Louisiana Department of Environmental Quality (LDEQ) and the United States Environmental Protection Agency (EPA) Region 6 together have determined that the Property is Ready for Reuse. As documented in the Ready for Reuse Determination Letter of June 30, 2004, the Ready for Reuse Determination is an acknowledgment that environmental conditions on the Property are protective of human health and the environment based on its current and anticipated commercial/industrial use.

*Bill Luthans*
