I. FINAL DECISION - Corrective Action Complete without Controls

The United States Environmental Protection Agency (EPA) has determined that no further action is required to make this property suitable for any type of land use. This is based on our findings as detailed in the April 27, 2012 Statement of Basis (SB). This determination is consistent with EPA's February 2003 *Final Guidance on Completion of Corrective Action Activities at RCRA Facilities* (reference 68 FR 8757).

II. PUBLIC COMMENT PERIOD

On May 16, 2012, EPA issued a SB which summarizes the Agency's proposed remedy for the Facility "Corrective Action Complete without Controls." Consistent with public participation provisions under the Resource Conservation and Recovery Act (RCRA), EPA requested comments from the public on the proposed remedy as described in the SB. The commencement of a thirty (30) day public comment period was announced in the Pocono Record newspaper on May 16, 2012 and on the EPA Region III website. The public comment period ended on June 14, 2012. The SB is hereby incorporated into this Final Decision by reference and made a part hereof as Attachment A.

III. RESPONSE TO COMMENTS

EPA received no comments on the proposal. Consequently, our final determination is unchanged from the proposal.

IV. AUTHORITY

EPA is issuing this Final Decision under the authority of the Solid Waste Disposal Act, as amended by RCRA, and the Hazardous and Solid Waste Amendments (HSWA) of 1984, 42 U.S.C. Sections 6901 to 6992k.
