

EPA PUBLIC NOTICE

Administrative Record available for public review **Cleanup of 24th Place Drums Site**

The U.S. Environmental Protection Agency announces the public availability of the Administrative Record (AR) for removal activities conducted at the **24th Place Drums site**, where EPA addressed a number of deteriorating drums containing an unknown substance, which were abandoned behind a building at 2122 24th Place NE in Washington, DC. The AR contains documents about cleanup activities conducted at the site. EPA successfully completed a removal (cleanup) action at the property to ensure public health and the environment remain protected from potential exposure to any hazardous substances in the drums.

Cleanup documents can be viewed at the following locations:
