

Top 30 College & University Partner List (as of April 6, 2015)

The Top 30 College & University list represents the largest green power users among higher education institutions within the Green Power Partnership. The combined green power use of these organizations amounts to more than 1.9 billion kilowatt-hours of green power annually, which is equivalent to the electricity use of nearly 184,000 average American homes annually.

Annual Green Power Usage (kWh)	GP % of Total Electricity Use*	Green Power Resources	Providers (listed in descending order by kWh supplied to Partner)	Athletic Conference
1. University of Pennsylvania				
200,183,000	51%	Wind	Renewable Choice Energy°, Community Energy°	Ivy League
2. Georgetown University
