RE: Request for Correction (RFC #11001) –*IRIS assessment for Halogenated Platinum Salts and Platinum Compounds (External Review Draft)*

Dear Ms. Randlshofer:

I am providing you with a status update regarding your Information Quality Guidelines Request for Correction (RFC #11001), which was submitted to the Environmental Protection Agency in August 2011. This RFC is related to the Integrated Risk Information System (IRIS) Toxicological Review of Halogenated Platinum Salts and Platinum Compounds (External Review Draft).

EPA has not yet completed its response to your information quality concerns. If this response is not completed within 90 business days, we will send you another informational update.

Sincerely,

A handwritten signature in blue ink that reads "Monica D. Jones".

Monica D. Jones, Acting Director
Quality Staff
