OEI Strategic Direction

What we are striving for

Lead, Innovate & Transform
how EPA uses information

The important role we play

Deliver information, technology and services through collaboration, to advance the protection of human health and the environment

Leadership Principles
VIRTUE:
Vision
Integrity
Resilience
Talent
Management
Unity
Excellence

The areas we need to focus on to move us forward

- **Prepare Employees for the Future**
- **Deliver Customer-Focused Services and Solutions**
- **Enable Business Anytime and Anywhere**
- **Collect, Exchange and Manage Data**
- **Find, Understand, and Make Information Useful for Environmental Protection**

Fundamental building blocks

People   **Security**   **Quality**
