Summary. EPA is amending the Third Edition of the EPA-approved test methods manual "Test Methods for Evaluating Solid Waste, Physical/Chemical Methods," EPA Publication SW-846 which is incorporated by reference in § 260.11. This amendment adds new and revised methods as Update II to SW-846 and also incorporates the SW-846 Third Edition, as amended by Updates I (promulgated August 31, 1993), II, and IIA (promulgated January 4, 1994 as part of the wood surface protection rule). The intent of this amendment is to provide better and more complete analytical technologies for RCRA-related testing and thus promote cost effectiveness and flexibility in choosing analytical test methods.

State Authorization: This rule is placed in RCRA Cluster V. The State modification deadline is July 1, 1996 (or July 1, 1997 if a State statutory change is necessary). This rule was promulgated under non-HSWA authority and the changes do not go into effect until States become authorized for them. Only final authorization is available.

The State Revision Application must include applicable regulations, AG statement addendum, Revision Checklist 139, other associated checklists and other application materials, i.e., a program description and an MOA, as determined by the Regional office.

Attorney General's Statement Entry. The entry at Subsection I CC in the Model Revision Attorney General's Statement should be replaced with the following revised entry:
