**Presentations:**

**(1) “Smoke-free: Clearing the Air in Public Housing”.** Dr Peter Ashley of HUD’s Office of Healthy Housing and Lead Hazard Control provide introductory remarks. Dr Douglas Levy will give the presentation; Dr Levy is an Assistant Professor of Medicine, Harvard Medical School (Boston, MA). Second-hand smoke causes lung cancer, heart disease, and stroke in adults and exacerbates asthma in children. Dr Levy will discuss the results of his research regarding the Boston Housing Authority’s 2012 adoption of a smoke-free policy, and the changes in indoor air quality and the impact on occupants/residents.

**(2) “IAQ and Green Building Alliance (GBA)/Pittsburgh 2030 District”.** Dr Melissa Bilec, LEED AP, Associate Professor, Department of Civil and Environmental Engineering, Deputy Director, Mascaro Center for Sustainable Innovation, University of Pittsburgh. The presentation will review efforts to establish an IAQ baseline for individual buildings, the impacts of energy reductions on IAQ, and efforts to develop a scalable IAQ protocol.
