

2016 Urban Waters National Training Workshop

July 26TH – 28TH 2016: Arlington, VA

Registration is Free & Open to All!

Join the Urban Waters Movement to help restore urban waterways and revitalize communities.

Workshop Goals

1. Strong Urban Waters Movement

Inspire and **strengthen** the urban waters movement to **build** and **sustain** robust effective partnerships across the country.

2. Authentic Community Engagement

Strengthen our skills in working together with underserved communities to address **community-based priorities** and **environmental justice** challenges.

3. Partnerships on the Ground

Connect, share, and learn with other innovators about how to convene, engage, and succeed in our partnership work.

See Agenda and Additional Details on reverse.

About the Partnership

Urban Waters Federal Partnership is *an innovative union of fourteen agencies working to provide integrated support to communities* – particularly underserved and economically distressed communities – as they transform their local urban waters into treasured centerpieces for community revitalization.

Sponsored by U.S. EPA

On behalf of the
Urban Waters Federal
Partnership

URBANWATERS

FEDERAL PARTNERSHIP

Restoring Urban Waters, Revitalizing Communities

Three Days of Dynamic Speakers, Interactive Sessions and Networking Opportunities!

Each day will include plenary sessions with community, local, state, tribal, federal and NGO leaders in the Urban Waters Movement; focused discussion sessions with practitioners; interactive activities; and partnership, networking and collaboration opportunities.

Participants will be inspired and learn successful tools and strategies to use in their own communities and work!

Agenda

Please check www.urbanwaters.gov for updated agenda and confirmed speaker announcements.
