**Re: Clark County Ozone Advance Program – 2016 Progress Report Submission**

Dear Ms. Bunte:

The Clark County Department of Air Quality is pleased to submit our Path Forward Update as a proactive measure intended to encourage and identify early emission reductions in order to help meet the 2015 National Ambient Air Quality Standard for Ozone. This is a living document, so it will be updated as programs are added or evolve.

If you have any questions or need more information, please contact Mike Sword at (702) 455-1615.

Sincerely,

  
Marci Henson, Director
