

EPA PUBLIC NOTICE

Administrative Record Available for Public Review Cleanup of American Plating Site

The U.S. Environmental Protection Agency announces the availability of the Administrative Record (AR) for emergency removal activities conducted at the **American Plating Site**, a property located at 4000 - 4008 E. Monument Street in Baltimore. The AR contains documents about cleanup activities conducted at the site. Starting May 2016, EPA has stabilized leaking drums, pipes and other containers to prevent further release of hazardous substances. Environmental experts continue to oversee the sampling, removal, and offsite disposal of contaminants including cyanides, corrosives, oxidizers and flammables, to ensure public health and the environment remain protected.

Cleanup documents can be viewed at the following locations:

1) Online at <https://semspub.epa.gov> (Select **MD** then enter **American Plating**)

2) Environmental Protection Agency, Region 3 office
