

The U.S. Environmental Protection Agency (EPA) will have a public availability session on Wednesday, August 31, 2016 from 9:00 AM to 2:00 PM at the EPA Vieques office located at Vieques Office Park, Carr. #200, km 0.4, Vieques, P.R. 00765. The purpose of this session is to provide an opportunity to the public interested in the proposed remedy at the General Electric facility located in Vieques. An EPA representative will be available during the session to explain the activities and talk to interested community members.
