

**SF₆ Emission Reduction
Partnership for Electric Power Systems**

SAVE THE DATE!

U.S. EPA's 2017 Workshop on SF₆ Emission Reduction Strategies

January 24–25, 2017

**Embassy Suites by Hilton San Francisco Airport Waterfront
San Francisco, CA**

150 Anza Boulevard, Burlingame, California, 94010

U.S. EPA's SF₆ Emission Reduction Partnership for Electric Power Systems is hosting a special technical workshop on SF₆ emission reduction strategies for electric utilities.

Workshop Topics

- Managing an SF₆ Gas Inventory: Best Management Practices
- Equipment Options for Leak Detection, Monitoring, and Repair
- Personnel Training: SF₆ Gas Handling
- SF₆ Emission Reduction Partnership—Program Update
- State and Federal Policy Developments

Workshop Program

- Monday, January 23: Evening Registration
- Tuesday, January 24: Full day—Registration and Presentations
- Wednesday, January 25: Half day—Presentations and Optional Site Tour hosted by SF₆ partner (Pacific Gas and Electric Company)

Registration, hotel room block, and other details coming soon.
