

The U.S. Environmental Protection Agency is offering to clean the inside of your home. *This will be done at NO cost to you.*

- ❖ It is your choice to have your home cleaned or not.
- ❖ If you choose to have your home cleaned, EPA will move you and family to a motel or hotel for about a week while your home and furniture is being cleaned.
- ❖ EPA will reserve and pay for the hotel.
- ❖ Your belongings will be secure while you are away.

If you want EPA to clean your home, contact EPA staff at Carrie Gosch School, 455 E. 148th St., East Chicago, IN.

- ❖ A team will work with you and your family to explain the process and answer your questions.

You can call EPA at 219-801-2199 with any questions.
