National Emission Standards for Hazardous Air Pollutant

Emissions: Petroleum Refinery Sector

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule; Notice of public hearing and extension of comment period.

SUMMARY: On October 18, 2016, the Environmental Protection Agency (EPA) published a notice to announce its reconsideration of and request for public comment on five issues in the final National Emission Standards for Hazardous Air Pollutant Emissions: Petroleum Refinery Sector that was published on December 1, 2015. Petitioners claim that the public was not afforded an adequate opportunity to comment on these five issues.
