

LFG Energy Project Development Opportunity in Arizona

The U.S. EPA Landfill Methane Outreach Program (LMOP) is pleased to provide its Partners and other interested parties information about a **request for proposals (RFP)** from the **Salt River Commercial Landfill Company (SRCLC)** in Arizona.

RSVP for Pre-Proposal Meeting: August 8, 2016

Mandatory Pre-Proposal Meeting and Site Visit: August 11, 2016

Deadline for Questions: August 16, 2016

Proposal Deadline: September 2, 2016

SRCLC seeks **proposals from qualified LFG energy project developers** for the purchase of LFG from three landfills located within the Salt River Pima-Maricopa Indian Community: **the Salt River Landfill (open), the Tri-Cities Landfill (closed), and the Center Street Landfill (closed)**. SRCLC is interested in proposals for two options:

- Purchase LFG from one or more landfills and provide O&M for the gas collection & control systems at all three landfills;
- Purchase LFG from one or more landfills.

The **sole contact for this RFP** is:

Mr. Rich Allen, CEO, SRCLC

13602 East Beeline Highway, Scottsdale, AZ 85256

rallen@srandfill.com

480.941.3427 (phone)

480.949.4261 (fax)

Attendance at the Pre-Proposal Meeting on August 11, 2016 is mandatory for anyone expecting to respond to this RFP. Potential meeting attendees should RSVP to Mr. Allen by **August 8, 2016**.

Questions should be emailed or faxed to Mr. Allen no later than **August 16, 2016**.

Proposals are due by **4:00 PM (local time) on September 2, 2016**. Two sealed submittals must be addressed to Mr. Allen.

The **RFP is available online** at <https://scsengineers.imeetcentral.com/p/eAAAAAAAKPV4AAAAAGchD3c>.
