Ms. Judith Enck
Regional Administrator, Region 2
US Environmental Protection Agency
290 Broadway, 26th Fl.
New York, NY 10007-1866

Dear Judith:

Thank you for sending David Kluesner, Public Affairs representative, to meet with the residents of Pompton Lakes on Monday, January 25th, along with the NJDEP, ATSDR, and the NJDHSS. As David advised at that meeting, we discussed setting up a community advisory group (CAG), headed by a neutral facilitator.

After receiving feedback from residents of Pompton Lakes, we have concluded that we would like to form such a group in accordance with the EPA. Residents have already expressed interest in becoming members of this group and we feel strongly about offering them the opportunity to participate. In addition, we understand that forming a CAG also allows us to acquire technical assistance through a Technical Assistance Services Contract (TASC). We would like to talk to you about the numerous technical areas of concern in which we will need assistance.

Please advise us of the next steps required to initiate the Community Advisory Group. Thank you for your assistance and guidance through these concerning and unfortunate times which have impacted many in Pompton Lakes. We look forward to working with you.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Karen Magee', is written over a light blue horizontal line.
