Friday Morning Session,

December 16, 2016.

- - -

MR. SETTLES: Good Morning. Today is Friday, December 16, and the time is 10:30. My name is Mike Settles. I am a Public Involvement Coordinator with Ohio EPA's Public Interest Center and will be presiding over today's public hearing.

If you wish to testify at this hearing and have not already written your name on the sign-in sheet located at the registration table, please do so now.

Ohio EPA's Division of Air Pollution Control is soliciting comments regarding the extent of Ohio's nonattainment areas for the revised sulfur dioxide, or SO₂, National Ambient Air Quality Standard. Public comments presented today should pertain to Round 3 designation recommendations.

All interested persons are entitled to attend or be represented and to present oral and/or written comments concerning the designation recommendations. All comments received as part of the official record will be considered prior to the State submitting a formal recommendation proposal to

1 U.S. EPA.

2 To be included in the official record,
3 written comments must be received at Ohio EPA by 5:00
4 p.m. today, December 16, 2016. Comments may be filed
5 with me or emailed to
6 christopher.beekman@epa.ohio.gov or
7 jennifer.vanvlerah@epa.ohio.gov.

8 All written comments submitted for the
9 record will receive the same consideration as oral
10 testimony given at today's hearing. Written
11 statements submitted after today may be considered as
12 time and circumstances permit but will not be part of
13 the official record.

14 I will now read the names of those who
15 have signed in and will give each person an
16 opportunity to testify.

17 Seeing that there is no one requesting to
18 testify, we will go off the record until 11:00 a.m.
19 to see if anyone shows and would like to testify.

20 (Off the record.)

21 MR. SETTLES: It is 11:00 a.m. and we are
22 back on the record. Is there anyone wishing to
23 testify?

24 Seeing no requests, I'll remind you that

1 written comments can be submitted through 5:00 p.m.
2 today, December 16, 2016, by emailing them to
3 christopher.beekman@epa.ohio.gov or
4 jennifer.vanvlerah@epa.ohio.gov.

5 The time is 11:01 and this hearing is
6 adjourned.
