

ABSTRACTS ARE DUE NO LATER THAN FRIDAY March 31, 2017

2017 Emissions Inventory Conference—Abstract Submission

An abstract should be submitted in Adobe Acrobat .pdf format (not to exceed 250 words) and email to EIC2017@epa.gov. This procedure will be the primary mechanism for submitting abstracts, papers, and presentation materials (details of due dates for papers and presentation materials will be provided at a later date). Authors will be notified upon selection of abstracts as to the selected formats. A paper submission will be required for podium presentations. Podium presentations are a maximum of 20 minutes in length, including a minimum of 5 minutes for questions and answers at the end of presentation.

A paper submission or an extended abstract will be required for posters. Posters may be submitted alone, or to compliment a podium presentation. Abstracts and papers will be included in the conference program and proceedings.

Please complete the following information below for abstract submission. You will be the main contact for information and conference planning correspondence. Correspondence will include emails confirming abstract receipt, session assignment, reviews of submissions, and reminders of due dates

First Name:

Last Name:

E-mail Address:

Phone:

Affiliation:

Organization: (If not EPA, please provide organization):

Location: (State, Province, or Country)

Abstract Title:

Author(s) and Affiliation:

Primary Session:

If your abstract matches more than one session area, list your choices of other sessions in your preference order:

Other Session 1:

Other Session 2:

Technical Session Presentation Format: (Podium: 20-25 minutes, oral slide presentation and/or Poster): You may indicate one or both of these formats:

Please attach your Abstract (not to exceed 250 words) to this document and email both to EIC2017@epa.gov.
