Dear Ms. LeHuray:

I would like to provide an update on the status of your Information Quality Guidelines Request for Reconsideration (RFR #14003A) received at the Environmental Protection Agency on April 13, 2016.

EPA managers and staff are currently conducting a thorough review of your concerns. Due to the complexity of the issues associated with your request, our review is taking longer than we expected.

Our goal is to provide the final response to your RFR or another status update within 90 business days (June 7, 2017).

Sincerely,

A handwritten signature in blue ink that reads "Vincia Holloman".
