Re: Revision to Air Quality Title V Operating Permit No. TV-1900-0013

Dear Ms. Hines:

Enclosed is a revision to Air Quality Title V Operating Permit. Please note the conditions and limitations imposed. This modified permit is being issued to incorporate changes into your existing Title V Operating Permit as described in the enclosed Record of Revisions. This revised Title V Operating Permit will remain valid through December 31, 2019, unless otherwise provided for by S.C. Regulation 61-62.70.7(c)(1)(ii).

This Title V Operating Permit may include several periodic reporting requirements with varying submittal frequencies and due dates. Reports required under the terms and conditions of this permit must be completed and submitted in a timely manner in accordance with the periodic reporting schedule found in this permit.

It is important for you and/or an authorized representative responsible for the overall operation of this facility to read this issued permit carefully and to understand all requirements. If any errors or omissions are discovered, please notify Sheila Watts of my staff, via e-mail at [myersjm@dhec.sc.gov](mailto:myersjm@dhec.sc.gov), or call (803) 898-4621.

Pursuant to the South Carolina Administrative Procedures Act, any Department decision involving the issuance, denial, renewal, suspension or revocation of a permit may be appealed by the applicant, permittee, licensee, and/or affected persons. Please see the enclosed "Guide to Board Review" for guidelines on filing an appeal.

Sincerely,

A handwritten signature in blue ink, appearing to read "Michael Shroup", is written over a light blue horizontal line.

Engineering Services Division  
Bureau of Air Quality

Enclosure
